

CHARLES T. BANKS, JR.

charlesbanks238@gmail.com • (775) 527-4323 • [Linkedin](#) • [Github](#)

SKILLS

Languages/Frameworks: React, JavaScript, TypeScript, CSS, HTML

Testing: E2E, TDD

Tools: GitHub, Postman, miro, Figma, Vercel, Git, Heroku

PROJECTS

Red Horizon - Group project | 24 hrs | [Red Horizon](#)

Technologies Used: Javascript, Typescript, CSS, HTML

Description: Developed an interactive map of Mars using TypeScript and NASA's APIs, creating a visually engaging tool for users to explore Mars' surface features.

Rock-Paper-Scissors - Solo project | 8 hrs | [Rock, Paper, Scissors](#)

Technologies Used: Javascript, HTML, CSS

Description: The goal of the project was to create the game and its logic in code and display it in the DOM. It was the first project in which we combined all of our skills to make a working application.
